

SDS CONSTRUCTION UPDATE

Road Restoration Planned

Two road resurfacing projects associated with the Southern Delivery System (SDS) are planned near your neighborhood. Please be aware of these two projects and observe all related traffic signage, flagmen and other safety measures.

- **Project 1:** Resurfacing of El Rocio View, from El Valle View south to the county line. This is a regravelling project that should take about one week, starting Monday, Aug. 19.
- **Project 2:** Resurfacing of Boca Raton Heights, from the intersection of Peacepipe Heights/ Rancho Colorado to Indian Village Heights. This is an asphalt overlay project and may take up to two weeks to complete. Work is expected to begin in late August or early September.

Your safety and the safety of our workers is very important. We are committed to being a good neighbor and minimizing any disruption that you might experience.

For questions about these projects, please contact Margaret Radford or David Marciniak at our toll-free hotline, (855) 737-4968. For ongoing SDS project information and updates, visit www.SDSwater.org.
